# FREE BACK-TO-SCHOOL VISION SCREENINGS

For children going into  
Grades 1 through 5

**SATURDAY  
JULY 27th  
10 AM - 2 PM**

**Location:**

**Kiwanis Hall      1634 Woodford Ave**

*(corner of 2nd Street and Woodford Ave in downtown Fort Myers)*

Open to the first 200 children arriving with parents or guardians.  
No identification required. No personal information will be taken.

***This is not an eye examination; no tests or refraction will be performed. This screening is being performed as a public service. Children (and parents) are often unaware when their vision isn't up to par. Good vision, or lack of it, greatly affects academic and athletic performance. Whether your child passes or fails this screening, a complete eye examination, by a qualified optometrist, is recommended before each school year.***

***Esto no es un examen de la vista, no se realizarán pruebas o refracción. Este examen se realiza como un servicio público. Los niños (y los padres) a menudo no saben cuando su visión no está a la altura. Una buena visión, o falta de ella, afecta en gran medida el rendimiento académico y deportivo. Si su hijo pasa o falla esta prueba, un examen completo de la vista, por un optometrista calificado, se recomienda antes de cada año escolar.***

KidCare  
enrollment is  
open all year.**

### Applying for Florida KidCare

Except for Medicaid, a child must be uninsured before Florida KidCare coverage starts. Some Florida KidCare programs may have limited space, and applications are accepted on a first-come, first-served basis. When MediKids, Healthy Kids and the Children's Medical Services Network are full, enrollment for these programs will close. Medicaid is always open for children who qualify.

An application will be valid for 120 days after Florida KidCare receives it. Florida KidCare will notify you if the application process is not completed within 120 days for MediKids, Healthy Kids, or the Children's Medical Services Network. To restart the application process, call 1-888-540-5437. An application that is older than 120 days may still be used to determine if your children are eligible for Medicaid.

If enrollment for MediKids, Healthy Kids and the Children's Medical Services Network is closed, we will let you know when we receive your application. We will check to see if your children might be eligible for Medicaid. You will receive more information if your children are eligible for Medicaid. If your children are not eligible for Medicaid, we will notify you. You will need to call 1-888-540-5437 to restart the application process when the programs are open again. .

- Print An Application and Instructions
- Sending Your Application Package

### Renewal

Once a year every family must renew their child's Florida KidCare coverage.

### Need to Make a Premium Payment?

Be sure to pay your Florida KidCare premium on time every month to avoid cancellation.

You can make your monthly premium payment online or by telephone (1-800-821-5437) 24 hours a day, 7 days a week.
